MEMBERSHIP

MISSION STATEMENT

The mission of Adaptive Sports Partners of the North Country is to provide year-round opportunities in sports and recreation for persons with physical or developmental disabilities. Our goal is to enhance the personal development and self-esteem of participants, and to provide an opportunity to take risks in a safe and supportive environment. Our core belief is that, for a person with a disability, the opportunity to experience the thrill of accomplishment can be a life-affirming experience. We are committed to including the families and friends of our participants, volunteers, partner organizations, and the North Country community in our efforts.
